

Graduate or Working Student UX Design Trainee Heidenheim an der Brenz or Munich, Germany

Leadin is a user-centered service design & development company with offices in Finland and the UK and also opening soon in Germany. We are over 70 brilliant people with diverse talents such as user experience, business design, arts and software development.

Using the best possible team and techniques, we help our customers to create value from user insight. Our satisfied clients include companies such as Jaguar Land Rover, Voith and ABB.

We have vacancies for enthusiastic UX graduates and/or working students looking for an exciting project. You should be eager to develop your skills in one or more of the following areas:

- / User research
- / Concepting
- / Interaction and/or visual design / Prototyping

Fluent German and English are required. Good motivation, willingness to learn, excitement, an open and joyful attitude are the things we value. If you are interested, let us hear from you!

Send your application and CV with subject line “UX Designer Trainee” to rekry@leadin.fi no later than **April 28th, 2017**.

Location: Heidenheim an der Brenz or Munich, Germany
